ACTIVITY

◆ "GALINDA-FIED" ◆

"You've been Galinda-fied!" – Fiyero

After Galinda tries to help Elphaba to become popular, Fiyero tells Elphaba that she has been "Galinda-fied".

Provide your students with a blank outline of a person. Ask them to 'Galinda-fy' the figure.

As a class, have your students share their images and discuss what this description meant to them. Use this as a prompt to discuss how appearance is used as a tool to promote popularity.
